

Hello my new friend, Radshin.

I want to be your pen-pal. Pen-pals are friends who write to each other.

My name is Callisse.

I live in Washington, D.C.

I go to School and I am in the

Kindergarten. I like my school

because it's fun.

My favorite things to do are playing blob and

play with my dog.

Now it's your turn to write back to me.
